

# **Kentucky Queen Bee Breeders Association Incorporated**

## **Meeting and Educational Event**

Our guest speaker will be Dwight Wells of Ohio and a founder of Heartland Honey Bee Breeders Co-op. He works very closely with Purdue University Bee Lab and many other bee organizations. He will explain Purdue and Heartland and how they are working together to improve the survivability of the honey bee. He will answer questions related to both organizations. He will also present Challenges, a presentation he has written.
